Dear Parent/Carer,

I would like to inform you that you will be able to purchase reduced price revision guides via ParentMail from Friday 20th October at 4:00pm. These can be found in the 'Shop' section of 'Payments' and will close on Friday 27th October at 9:00am.

The most effective exam preparation will take place in the classroom with classroom teachers and resources are already being used in lessons to support the students. However, we understand that families will be keen for their child to supplement this with the independent use of revision guides. If your child is Pupil Premium, a separate Google Form will be emailed out via Arbor.

When ordering revision guides please consider the following points:

- Revision guides do not replace lesson work, homework and school based revision resources. These should always remain the priority.
- Ensure that the revision guide that is being ordered is the correct one for the subject e.g. BTEC IT is different to GCSE Computing.
- Check whether higher or foundation is required - you can check this with the subject leader. This may affect Maths and Science.
- It is unlikely that every revision guide will be required for every subject, please discuss which subjects are required at home and if you are unsure, please get in touch with me

Yours faithfully,

Mr S Syed
