

# **Parent Information Evening: September 2024**

## **Year 9 messages**

- This is an important year for making subject choices
- Students have started a number of different lessons and should be thinking which subjects they really enjoy and want to take further

## **Whole school messages**

- High attendance really matters - **97% is viewed as good attendance**. Attendance below 90% is defined as persistent-absenteeism.
- There are a huge number of **extra-curricular activities** for students to access such as **Strategy Club** and **House competitions**
- **Revision should be ongoing**. Students should be revising prior learning all the time to retain knowledge and perform well in end of year exams. Making mind-maps and flashcards counts as good quality revision.
- We want all students to **feel safe**; If you have any concerns, please report it.
- If you have any **old uniform** please get your child to bring it in. It will be put to good use.
- We can support children with **computer access at home** if necessary. Please email the Year Leader.

## **Useful contacts**

**Year Leader - Mrs Green [j.green@pudseygrammar.co.uk](mailto:j.green@pudseygrammar.co.uk)**

**Director of Studies - Mr Lucas [j.lucas@pudseygrammar.co.uk](mailto:j.lucas@pudseygrammar.co.uk)**

**SLT link - Mr Tierney [p.tierney@pudseygrammar.co.uk](mailto:p.tierney@pudseygrammar.co.uk)**

- For any queries email your child's **form tutor** first.
- For subject issues please email the **Subject Leader** (refer to the Contact Us section of the website).
