

Year 7 Parent Information Evening: September 2025

Whole school messages

- High attendance really matters - **97% is viewed as good attendance**. Attendance below 90% is defined as persistent-absenteeism.
- There are a huge number of **extra-curricular activities** for students to access such as **Strategy Club** and **House competitions and sports clubs**.
- **Knowledge organisers** can really help students remember a lot of information. They are a great tool for students to revise from.
- We want all students to **feel safe**; If you have any concerns, please report it.
- If you have any **old uniform** please get your child to bring it in. It will be put to good use.
- We can support children with **computer access at home** if necessary. Please email the Year Leader.

Useful contacts

Year Leader - Mrs Swithenbank s.swithenbank@pudseygrammar.co.uk
